### **NONPROFIT WESTCHESTER WELCOMES SIX NEW BUSINESS SPONSORS**

**WESTCHESTER, NY** - Nonprofit Westchester (NPW) is pleased to announce that six new silver business sponsors have joined a growing group of area companies committed to investing in the County's only business membership organization dedicated to advancing the needs of Westchester's nonprofit sector. The businesses include [Accreditation Guru](#), [Atlantic Westchester](#), [Chestnut Holdings](#), [Munoz & Munoz Insurance](#), [Ola Consulting Engineers](#), and [Thompson & Bender](#).

"We are so proud to be partnering with these outstanding businesses," said Jan Fisher, Executive Director, [Nonprofit Westchester](#). "They truly understand the benefits of a thriving nonprofit sector as intrinsic to the county's overall health and stability. We are very grateful for their support of NPW."

"Our passion for community goes beyond our work," said Patrick Lynch, President of [OLA Consulting Engineers](#). "As a Westchester-based company for 47 years, we take great pride in giving back to the local community and continually supporting the efforts of Nonprofit Westchester and their member organizations."

"Nonprofit Westchester serves a very important mission of strengthening the impact, capacity and visibility of the nonprofit sector throughout Westchester County. We are very proud to become a sponsor of this wonderful organization and to help provide a safety net for those in need in our community – especially during this unprecedented time of the global pandemic," said Bud Hammer, President of [Atlantic Westchester](#).

Anahaita Kotval, NPW President and CEO of [Lifting Up Westchester](#) stressed, "During the pandemic, thousands of Westchester residents turned to NPW member organizations for help – and they delivered. Nonprofit Westchester was there to support those organizations by providing up to date information, resources, and advocacy. The business community noticed."

Our commitment to Westchester's Not-for-Profit community has been part of our mission at [Thompson & Bender](#) since our founding more than 30 years ago," said Elizabeth Bracken Thompson, Managing Partner of Thompson & Bender. "We believe in Nonprofit Westchester and all of its membership organizations which help to make Westchester a stronger place to live, work and thrive."

"[Accreditation Guru](#) has been a supporter of Nonprofit Westchester for years. Earlier this year as we assessed the nonprofit associations we are affiliated with, we decided to move from being a Business Partner to a new Silver Sponsor to better help NPW strengthen the impact, capacity, and visibility of Westchester's nonprofit community," said Jennifer Flowers, Founder & CEO.

###

**About Nonprofit Westchester:** Nonprofit Westchester (NPW) is Westchester's only membership organization dedicated solely to advancing and advocating for the needs and interests of the county's nonprofit sector, the

people and populations served and the nonprofit workforce. Representing 250 nonprofit organizations and business members, the mission of NPW is to strengthen the visibility, capacity, and impact of the nonprofit sector in Westchester County. [www.npwestchester.org](http://www.npwestchester.org).

**About Accreditation Guru:** Accreditation Guru, Inc. is a nationally recognized consulting company that helps organizations in child welfare, behavioral health and education fields achieve (re)accreditation. They also provide support with strategic planning facilitation, nonprofit board development, quality improvement programs and risk management strategies. Accreditation Guru is here to support your organization to *Prepare for Greatness™!* For more information, visit <https://AccreditationGuru.com/>.

**About Atlantic Westchester:** Located in Bedford Hills, NY, Atlantic Westchester has been providing service to its valued customers since 1961. They offer a wide range of commercial/industrial HVAC solutions for businesses, institutions, and local government. Each project is customized for all clients across the NY Metro Area. Atlantic Westchester has the experience, qualifications, and industry certifications to properly maintain the long-term efficiency and integrity of HVAC systems. Not only do they service HVAC systems, but they provide maintenance programs, remediation services, intelligent control systems, and help owners to find energy-efficient solutions. For more information about Atlantic Westchester Inc., please visit [www.atlanticwestchester.com](http://www.atlanticwestchester.com).

**About Chestnut Holdings:** Chestnut Holdings of New York is a family-owned real estate investment and property management firm with a long track record of successful, responsible, and reliable management. Chestnut is a hands-on owner-manager that acquires, manages, and improves multifamily properties and is the proud owner and manager of "The Nonprofit Building" at 20 South Broadway in Yonkers. <https://chestnutholdings.com/>

**About Munoz & Munoz Insurance:** Muñoz + Muñoz Insurance Consultants provides quality insurance service at a reasonable price, while offering that very important personal touch. They pride themselves on superior service, quick response time, and unsurpassed dedication to their clients. <https://www.munozins.com/>

**About OLA Consulting Engineers:** Since 1974, OLA Consulting Engineers has built a reputation for providing a wide range of innovative engineering services related to building systems and utilities—HVAC, electrical, energy, plumbing, commissioning, and fire protection. With a keen focus on energy conservation and sustainability, our projects are designed to optimize operations and occupant comfort. Whether serving as the energy consultant, design engineer or commissioning authority, our professional, licensed staff partners with our clients from initial project concept through construction and project closeout.
