OUR MISSION
Building girls of courage, confidence and character, and the world's best leaders.

HOW WE MAKE AN IMPACT
The Girl Scout Leadership Experience is a world-class leadership development program for girls, with proven results. Empowering a Girl Scout does more than expand STEM, the outdoors, development of life skills, and entrepreneurship, and is designed to meet her where she is now and to grow along with her. Whether she's building a robotic arm, coding her first app or trying hiking, exploring the city streets, developing artistry skills or serving the Girl Scout Gold Award, a Girl Scout has an exciting array of choices to suit her interests at every age.

GIVING OPPORTUNITIES
There are many ways you can support the Girl Scout Leadership Experience through our local group. Contributions benefit local and provide direct support to continue the best leadership experience for girls in the world. Giving opportunities include being a troop leader, teaching girl outdoor skills such as archery and kayaking, serving on the Board of Directors or Board Committees, assisting with fundraising events, helping with the maintenance of our camp and office properties, and more.

VOLUNTEER OPPORTUNITIES
Girl Scouts seeks our volunteers and provides numerous opportunities for individuals and groups to make a difference in the lives of girls. Volunteer opportunities include being a troop leader, teaching girl outdoor skills such as archery and kayaking, serving on the Board of Directors or Board Committees, assisting with fundraising events, helping with the maintenance of our camp and office properties, and more.
