

## Learning Specialist

We are looking for an energetic, Learning Specialist to perform **part-time** tutorial work with children and adults who are experiencing difficulties with elementary to high school level reading, reading comprehension, and math. The applicant should have excellent communication skills in order to provide an exceptional learning experience for the student.

The successful applicant will be able to provide direct instruction to students, individually or in small groups, in reading fluency, decoding, reading comprehension, and math in order to strengthen and advance the client's academic skills. Tutors must be available to work after school hours between 3:00 and 7:00; one day a week in the Mt. Vernon clinic and one day a week in the Yonkers clinic locations. This position can be successfully filled by an individual who has attained a Bachelor's degree or higher in education, special education, language arts, psychology or other liberal arts. Hourly salary is commensurate with education and experience. Bi-lingual, English-Spanish, is a plus but ability to work with younger students as well as students and adults with individualized learning needs is mandatory.

At WJCS we value our employees, their contributions, and their growth. We demonstrate this commitment with much more than highly competitive benefits and compensation - we show it every day in the way we work together, embracing leadership behaviors that are recognized and rewarded throughout our system. We value you, your growth and your contributions.
