### **Nonprofit Westchester Announces Plan A Advisors Sponsorship**

Strategic Corporate Partner to Support Leading Nonprofit Member Organization

**White Plains, New York – October 29, 2020**

Nonprofit Westchester (NPW) is proud to announce that Plan A Advisors has become a Silver Sponsor, joining a growing group of corporate partners that understand the tremendous value of supporting the county's only membership organization solely dedicated to advancing the needs of the nonprofit sector and the people they serve.

"NPW's programming and advocacy over the past months was remarkably reassuring to a field that's been buffeted by the pandemic and will continue to be by its economic fallout. NPW got our attention: it seemed to be doing everything right for its members and, admirably, for all nonprofits in Westchester. NPW deserves our thanks and our support," stated Evan Kingsley, Partner.

Plan A Advisors has five decades of experience in nonprofit management, fundraising and organizational development across the widest range of organizations, institutions and philanthropies. They understand that "no two organizations, no two institutions, and no two foundations are ever exactly alike, so no two planning processes should be, either."

"Plan A Advisors is such a welcome addition to the NPW community," said Jan Fisher, Executive Director, Nonprofit Westchester. Their wealth of relevant experience, and deep understanding of the nonprofit sector in Westchester will help to positively impact and strengthen the work of our member organizations."

#### **About Plan A Advisors**

Plan A provides strategic and business planning, governance and leadership development, partnerships and mergers and feasibility studies and fundraising campaigns. For nonprofits, limited resources and heightened accountability are the new normal. Designing effective and efficient pathways to setting and meeting compelling goals is what governing bodies, organizational leaders and funders demand. Clients hire Plan A for exceptional guidance, and to get it right...the first time.
