We are pleased to announce that Emmanuel Segarra-Otero has joined Nonprofit Westchester as Communications Associate. Emmanuel (Manny) will assist in managing NPW's website, social media platforms and internal communication structures.

"I am excited to be joining the impressive staff of Nonprofit Westchester. I have benefited from their advice and guidance during my education and career, so it feels full circle to be joining them in support of the nonprofit sector in Westchester," stated Emmanuel Segarra-Otero.

Manny was born and raised in Yonkers, NY. He has years of experience in public speaking, advocacy, politics and has held several advisory positions, including serving as the youngest member of Mayor Mike Spano's original and transformative LGBT Advisory Board. "Manny will be a valuable member of our small and mighty team, providing expertise to build our capacity to deliver critical information to our members and the community. We are grateful to the Westchester Community Foundation for funding this position and their ongoing support of the nonprofit sector in Westchester, especially as we meet the unprecedented challenges of COVID-19," stated Jan Fisher, NPW Executive Director.
