

## Mental Health Clinician or Social Worker (multiple)– Yonkers

Westchester Jewish Community Services is a large, not for profit, organization with headquarters in White Plains, NY. Exciting opportunities are available for social workers and mental health clinicians at the Yonkers Family Mental Health Clinic, a large, busy, vibrant, and collegial community mental health center serving families and persons of all ages, races and ethnicities, and backgrounds through our general clinic and specialized treatment services. Under general supervision of the Clinic Director, the clinician provides comprehensive mental health treatment services to persons in the community having a psychiatric and substance use diagnoses with the support of a multidisciplinary team, strong supervision, and ample training.

Available positions include part-time and full-time options. Preferred qualifications include familiarity with evidenced based treatments, knowledge of modern principles of social work, prior experience with children, community mental health, and/or co-occurring disorders. Bilingual English-Spanish is a plus. New York State licensure or New York State license-eligibility (LMFT, LMSW, LMHC, or LCSW) is required.

At WJCS we value our employees, their contributions and their growth. We demonstrate this commitment with much more than highly competitive benefits and compensation – we show it every day in the way we work together, embracing leadership behaviors that are recognized and rewarded. We value you, your growth and contributions.

If you would like to be considered for the position please send your résumé with cover letter to Human Resources via email, [Mrivera@wjcs.com](mailto:Mrivera@wjcs.com).
