Here is an **example** of a quote from Donna Brown, Manager of Development & Outreach, Y-COP, Mt. Vernon:

"Parents were forced to make the heartbreaking choice between working, homeschooling, homelessness and hunger. These are not, nor should be, viable options. As we improvise, adapt, and overcome on a daily basis, we know there is a glimmer of hope at the end of the tunnel, not just surviving but thriving. Rest assured; you are not alone. Y-COP is a family united, and we are all in this together."

Here is an **example** of a data point:

50 campers, ages 4 to 14, enjoyed six weeks of COVID compliant summer camp with chess club, arts & crafts, yoga, sports and more.
